In the Committee it is seen that the first tentative decision was to prescribe the following minimum qualifications for appointments upto Rs 20/- :-

Ability to read and write
Kannada with facility"

Again it is stated that the Board after a full discussion arrived at the following revised decisions:— × M.

"A candidate who has passed the Lower Secondary examn or has obtained a certificate of having studied in the V th form will be eligible for a post carrying a salary not exceeding Rs. 20/-"

The G.O. seems to have been passed on the above final decision of the Board which for orders with reference to Government's orders in para 3 supra.

The ordinary procedure appears

It is not possible for the Board to say with what the idea was exactly that was intended to be conveyed in the phrase "studied in the V form of a recognised High School". At least it may perhaps be made clear by amplifying the phrase to indicate that what is meant when a candidate may have sat in at least a term attended the V form class up to the completion of the period laid down for order.

MWR 18/5 (*) It is not clear what the 18.5.37 CRB had in mind when they framed the qualification, but as it stands, it means that a candidate must have been presented to the V Form and studied there for a longer or shorter period. Perhaps the question may be placed before the Board at the next meeting for elucidation.

Mr Roe is not necessary to discuss this small point in CRB's opinion.
